- **The second transfer on Euronext Oslo Børs this year**

Oslo – 3 June 2025 – Euronext congratulates Himalaya Shipping (ticker: HSHP) on its transfer from Euronext Expand Oslo to Euronext Oslo Børs. The company was listed in 2021 on Euronext Growth Oslo and transferred to Euronext Expand in 2022. This is the second transfer on Euronext Oslo Børs' markets this year.

Himalaya Shipping has 12 modern vessels that can run on both liquid natural gas (LNG) and traditional fuels. These ships are used to transport dry bulk goods. The company is based in Bermuda.

At the market opening today, the price was NOK 60.30 per share based on the closing price on Euronext Expand Oslo on June 2, 2025. This gave the company a market value of NOK 2.8 billion this morning.

Lars-Christian Svensen, contracted CEO of Himalaya Shipping, said: *"We are pleased to be here today for the uplisting of Himalaya Shipping from Euronext Expand to Euronext Oslo Børs. This strategic move marks a significant milestone in the company's development and reflects our continued commitment to transparency, governance, and long-term value creation. We believe that a listing on the main market Euronext Oslo Børs will enhance the visibility and credibility of Himalaya Shipping in the capital markets, improve liquidity in the share, and broaden our appeal to a wider base of institutional investors, including larger domestic and international funds. We are proud to take this important step in our journey. The uplisting is a testament to the strength of our business model, the dedication of our team, and the confidence we have in our future growth."*
