

Macompta.fr lists on Euronext

- Market capitalisation of €18.6 million
- 14th listing on Euronext in 2026

Paris – 1 April 2026 – Euronext today congratulates Macompta.fr, French publisher of software solutions dedicated to businesses and chartered accountants, on its transfer from Euronext Access to Euronext Growth in Paris (ticker code: ALCPA).

Since 2007, Macompta.fr develops tailored invoicing, accounting and payroll solutions for small businesses, associations and chartered accountants. Macompta.fr positions itself as a comprehensive and accessible suite of online software and mobile applications dedicated to the management of small businesses and associations. The French publisher offers a wide range of tools covering accounting, tax declarations, invoicing, payroll and expense reports. The company has been ISO 27001 certified for the quality of its information security management system since June 2025. Thanks to its online solution, Macompta.fr enables data sharing and collaboration between business leaders and chartered accountants, ensuring efficient data exchange. Its software has been adopted by more than 100,000 users, including businesses, associations, chartered accountants and consulting professionals for their clients. Macompta.fr has been approved as an electronic invoicing platform since January 2026.

At market opening on Monday 30 March 2026, the share price was €6.20, based on the closing price on Euronext Access Paris on 27 March 2026. This gave the company a market value of €18.6 million.

Sylvain Heurtier, Chief Executive Officer of Macompta.fr, said: *“It is a great source of pride for all of us at Macompta.fr to move to Euronext Growth after two successful years on Access. We would like to thank our employees for their dedication, our clients for their loyalty and, finally, our shareholders for their trust. We have established a solid foundation to build on this success and achieve significant milestones in the projects ahead, including electronic invoicing, artificial intelligence and the advisory market.”*
