Kongsberg Maritime

Oslo – 23 April 2026 – Euronext today congratulates Kongsberg Maritime (ticker code: KMAR), a global leader in maritime technology, on its listing on Euronext Oslo Børs. This is the 18th listing on Euronext so far this year.

Kongsberg Maritime, recently spun out of Kongsberg Gruppen, is recognised for its expertise in maritime technology. The company supplies systems and services to a wide range of new and existing vessels, including merchants, offshore, fishing, and naval fleets. Its technology is installed on over 30,000 vessels worldwide, drawing on over 200 years of expertise, and operates 117 offices in 35 countries.

Kongsberg Maritime was listed through the admission to trading on 23 April 2026 of the 879,609,245 shares making up its equity. At opening today, the share price of Kongsberg Maritime was set at NOK 67 per share, giving the company a market capitalisation of NOK 58.9 billion on the day of listing.

Lisa Edvardsen Haugan, CEO of Kongsberg Maritime ASA, said: *“This is a historic moment for us. We are setting out to write an entirely new book in our 200-year history, and on behalf of all our employees, I can say that we are ready to begin its first chapter. Through technology and system expertise, Kongsberg Maritime actively contributes to shaping the future of the maritime industry – both globally and within the Norwegian maritime cluster. The industry is undergoing a fundamental transformation, driven by digitalisation, automation, and the need for zero-emission operations.”*

With today's listing, Kongsberg Maritime has also joined [Euronext Tech Leaders](#). The Euronext Tech Leaders segment comprises more than 100 tech companies listed on Euronext that are leaders in their field of activity or that demonstrate a very strong growth trajectory. As part of the segment, Kongsberg Maritime will benefit from an extended range of services, increased visibility and access to Europe's rich technology ecosystem.
