

EURONEXT

# Daily CoT Report

The new Daily CoT (Commitment of Traders) report gives you full visibility into participant positioning across Euronext's commodity contracts - updated every trading day.

## EXISTING

### Weekly CoT

- Positions as of Friday only
- Published each Wednesday
- Single weekly snapshot
- One holding date per cycle

## NEW

### Daily CoT

- All holding dates, every trading day
- Published each evening (D+1)
- Full intra-week trend view
- Same trusted aggregated statistics
- Upon Subscription

### Daily visibility

Monitor position changes by Participant Type across every trading day, not just end-of-week.

### Timely insights

Data published each evening following the next day's session - act on intelligence when it matters.

### Trend detection

Track intra-week shifts in market positioning with greater precision and depth than ever before.

## Who benefits

Commercial participants

Hedge funds
