

IPOgo: A simpler, faster route to public markets for ambitious SMEs

Euronext is introducing a new pathway designed to give small- and mid-sized companies (SMEs) a simpler, faster and more cost efficient access to capital markets. Building on the new EU Listing Act, IPOgo offers ambitious companies a credible route to finance their next stage of growth and independence, with a streamlined IPO process and a broader investor reach.

Go public on Euronext and unlock new opportunities

- ✔ **Raise capital efficiently** to fund business expansion and strategic priorities
- ✔ **Increase visibility and credibility** with clients, partners and investors
- ✔ **Create a long-term financing platform**, beyond a single transaction
- ✔ **Provide liquidity** for existing shareholders
- ✔ **Retain control and autonomy** while scaling your business
- ✔ **Attract a wider range of investors**, from institutional depth to retail investors.

Four ways Euronext is redefining the IPO experience with IPOgo

Lighter documentation by -50%

Streamlined Listing Information Document (shortened by ~50%) and reduced documentation designed to be proportionate and tailored to SME needs

Faster execution: 4 months vs 6

Fully digitalised, end-to-end process enabling shorter timelines from 4 months (vs. 6 previously), with a standardised admission framework across all Euronext markets

Cost-efficient process

Significantly reduced overall transaction costs through a more efficient preparation process

Fully open to retail investors*

Flexibility to allocate up to 100% of the offering to retail investors

*exclusively available on Euronext Growth Paris

IPOgo is available in selected European countries. Please reach out to your Euronext contact for information on availability in your jurisdiction.

Expand your reach with a powerful investor ecosystem

**Institutional investors for your
company's long-term stability**

A large investor base

More than 624

institutional investors active on SME financing.

With a global reach

Investors from 29 countries

**Retail investors to support
the liquidity of your share**

Where ambitious projects meet a
community of engaged investors

A fast-growing investor pool:

**117 million individual
investors in Europe in 2025**

(up from 102 million in 2022)

Strong participation in trading

27% of trading

of SME shares listed on Euronext came
from retail investors in 2025.

Benefit from a streamlined admission process

In line with the EU Listing Act, introduced in June 2026, the IPO preparation process has been streamlined:

01

A flexible valuation approach

Valuation can be supported by an analyst note from the investment bank/Listing Sponsor or an independent valuation report

02

Lighter documentation

Listing Information Document shortened by approximately 50% (from ~140 to ~75 pages), focusing only on the information that investors need

03

Significant reduction in financial disclosure

Reduced from over 70 pages to around 10 pages, focusing on decision-relevant financial data

Who is eligible for IPOgo?

IPOgo is designed for established SMEs with a track record of profitability:

Growing SMEs

Minimum 12 months of financial visibility

Minimum of one audited financial year

Seeking to raise between €2.5 million and €12 million.

Thanks to this IPO, we aim to continue our development in our core market segments and accelerate external growth to capitalise on new opportunities.

We are proud and honoured by the trust of the more than 5,000 individual and institutional investors who are joining our journey.

Christian Mary,
CEO of Odyssee Technologies

Our IPO has allowed us to strengthen our growth capabilities and enhance our credibility with international stakeholders.

The credibility gained through our listing enabled us to secure very significant contracts.

José Burgos,
CEO of STIF
