Giunti Psychometrics Holding lists on Euronext

- **51st listing on Euronext in 2026**
- **The company raised €17.1 million**

Milan – 22 July 2026 – Euronext today congratulates Giunti Psychometrics Holding on its listing on Euronext Growth Milan.

Giunti Psychometrics is an Italian company specialising in psychometrics, psychological assessment and professional training. With more than 75 years of experience, it combines scientific knowledge, technology and local market expertise to develop and deliver scientifically validated tools, digital platforms, training and specialised services. Its solutions span clinical and educational evaluation, talent assessment and development, large-scale selection processes, training for psychology and mental health professionals, and other assessment solutions for mobility and licensing.

Giunti Psychometrics, marking Euronext's 51st admission of 2026, is the first company listed on Euronext Growth Milan to adopt the equity direct distribution at IPO and to manage the retail tranche, in the global offering context.

Overall, the company raised a total of €17.1 million, including the potential exercise of the overallotment option. Excluding the exercise of the over-allotment option, the amount raised is €15 million.

The implicit valuation indicated by the company, taking into account the various categories of shares, is approximately €60 million.

José Sales Grade, CEO Giunti Psychometrics, said: *"The listing on Euronext Growth Milan represents a key milestone in Giunti Psychometrics' growth journey and marks the beginning of a new phase in our international development. Going public will enable us to further accelerate our external growth strategy through targeted acquisitions, strengthening our competitive positioning and expanding our presence across international markets. Our story was built over more than 75 years of operations and is founded on strong scientific expertise, international leadership, quality and a deep commitment to meeting the needs of local markets. We are proud to share it with the market, and with all the stakeholders who have supported us with trust throughout this journey. This achievement is of paramount importance as it marks continued innovation and long-term value for all our investors and stakeholders".*

About Giunti Psychometrics

Giunti Psychometrics is an Italian company specialising in psychometrics, psychological assessment and professional training. With more than 75 years of experience, it combines scientific knowledge, technology and local market expertise to develop and deliver scientifically validated tools, digital platforms, training and specialised services. Its solutions span clinical and educational evaluation, talent assessment and development, large-scale selection processes, training for psychology and mental health professionals, and other assessment solutions for mobility and licensing.

About Euronext

Euronext is the leading European capital market infrastructure, covering the entire capital markets value chain, from listing, trading, clearing, settlement and custody to solutions for issuers and investors. Euronext runs MTS, one of Europe's leading electronic fixed income trading markets, and Nord Pool, the European power market. Euronext also provides clearing and settlement services through Euronext Clearing and its Euronext Securities CSDs in Denmark, Italy, Norway and Portugal. In November 2025, Euronext acquired a majority stake in the Athens Stock Exchange (ATHEX), reinforcing its pan-European footprint and further extending its fully integrated market infrastructure with the addition of an exchange, a CSD and a clearing house.

As of June 2026, Euronext's regulated exchanges in Belgium, France, Greece, Ireland, Italy, the Netherlands, Norway and Portugal host over 1,800 listed issuers with €7 trillion in market capitalisation, a strong blue-chip franchise and the largest global centre for debt and fund listings. With a diverse domestic and international client base, Euronext handles 29% of European lit equity trading. Its products include equities, FX, ETFs, bonds, derivatives, commodities and indices.
