Since the beginning of the year, new updates have been introduced to Service Description Documents on our website to support your operations on the topics below. Next to each updated version you will find a «Track Changes» version to help you identify quickly the changes we introduced. Please check the [Convergence Programme Documentation](#) section of our website to consult the most recent version we published last week.

COMING SOON

- We are currently working on updating the GAP Analysis with a special focus on Portugal and will send you a notification as soon as we have it finalized and published.
- Local Market Group session will be organized in presential mode in Lisbon by **last week of September** to present and discuss the latest updates. Invites will be sent out in due time.

In the meanwhile, we thank you for your continuous engagement with us and look forward to receiving your comments and questions. We wish you an excellent summer!
