The Independent Supervisor retains the right to change the published selection, for instance in the case of a removal due to a takeover, until the publication of the final data after close of Wednesday 16 September 2026.

All events taking place after that date will not result in the replacement of any company that may need to be removed from the final index selection.

Review OBX® Family

The indices in the OBX® family are semi-annually revised, free float adjusted with composition changes and capping implemented after the market close of the third Friday of March and September.

About Euronext

Euronext is the leading European capital market infrastructure, covering the entire capital markets value chain, from listing, trading, clearing, settlement and custody, to solutions for issuers and investors. Euronext runs MTS, one of Europe's leading electronic fixed income trading markets, and Nord Pool, the European power market. Euronext also provides clearing and settlement services through Euronext Clearing and its Euronext Securities CSDs in Denmark, Italy, Norway and Portugal. In November 2025, Euronext acquired a majority stake in the Athens Stock Exchange (ATHEX), reinforcing its pan-European footprint and further extending its fully integrated market infrastructure with the addition of an exchange, a CSD and a clearing house.

As of June 2026, Euronext's regulated exchanges in Belgium, France, Greece, Ireland, Italy, the Netherlands, Norway and Portugal host over 1,800 listed issuers with €7 trillion in market capitalisation, a strong blue-chip franchise and the largest global centre for debt and fund listings. With a diverse domestic and international client base, Euronext handles 29% of European lit equity trading. Its products include equities, FX, ETFs, bonds, derivatives, commodities and indices.
