Backed by a community of over one million followers, the brand combines product innovation, creativity, a distinctive brand identity and strong ethical values. NABLA's products are conceived and developed entirely in-house, from the initial concept onwards, with a strong focus on research, ingredient selection and the development of high-performance formulas. The entire product range is vegan and cruelty-free.

NABLA represents Euronext's 64th listing in 2026. In the context of the global offering, the company adopted the Equity Direct Distribution service to manage the retail tranche of the IPO.
