

VERALLIS lists on Euronext

- **Market capitalisation of €3.94 million**
- **69th listing on Euronext in 2026**

Athens – 12 October 2026 – Euronext today congratulates Verallis S.A., a strategic cost management and business effectiveness expertise, on its listing on Euronext Growth in Athens (ticker code: VRLS).

Verallis S.A. is a cost management and operational improvement company that helps businesses and public-sector organisations achieve measurable financial results. Combining AI-driven analytics, specialist expertise and hands-on execution, Verallis turns spending and operational data into actionable opportunities to reduce costs and improve performance.

The company supports the full delivery cycle, from opportunity identification and implementation to continuous monitoring and verification of results. Its success-based fee model links remuneration to achieved savings, aligning its interests with those of its clients.

Verallis S.A. was listed through the admission to trading on 9 October 2026 of the 4,150,000 ordinary shares making up its equity.

The admission and issue price of Verallis S.A. was set at €0.95 per share. Market capitalisation was €3.94 million on the day of listing.

George Dimopoulos, President & CEO of Verallis S.A., said: *"VERALLIS' listing on Euronext Growth is not the end of a journey, but the starting point for our next stage of growth: greater scale, increased transparency and an even stronger focus on measurable value creation. From day one, we have built VERALLIS around a clear principle: the value we create must be demonstrated through real and measurable results for our clients. With our expertise, technology and Artificial Intelligence as accelerators, our ambition is to scale this model and build a strong Greek company with a European outlook."*

About Verallis S.A.

Verallis S.A. is a strategic cost management and operational performance company focused on delivering measurable financial impact for its clients. Through a results-driven methodology, deep sector expertise and the use of technology and Artificial Intelligence, Verallis identifies, implements and monitors cost optimisation opportunities across a broad range of operating expense categories.

About Euronext

Euronext is the leading European capital market infrastructure, covering the entire capital markets value chain, from listing, trading, clearing, settlement and custody to solutions for issuers and investors. Euronext runs MTS, one of Europe's leading electronic fixed income trading markets, and Nord Pool, the European power market. Euronext also provides clearing and settlement services through Euronext Clearing and its Euronext Securities CSDs in Denmark, Italy, Norway and Portugal. In November 2025, Euronext acquired a majority stake in the Athens Stock Exchange (ATHEX), reinforcing its pan-European footprint and further extending its fully integrated market infrastructure with the addition of an exchange, a CSD and a clearing house.

As of September 2026, Euronext's regulated exchanges in Belgium, France, Greece, Ireland, Italy, the Netherlands, Norway and Portugal host over 1,800 listed issuers with €7 trillion in market capitalisation, a strong blue-chip franchise and the largest global centre for debt and fund listings. With a diverse domestic and international client base, Euronext handles 29% of European lit equity trading. Its products include equities, FX, ETFs, bonds, derivatives, commodities and indices.
