TerniEnergia Progetti lists on Euronext

- **80th listing on Euronext in 2026**
- **The company raised €1.9 million**

Milan – 27 November 2026 – Euronext today congratulates TerniEnergia Progetti, on its listing on Euronext Growth Milan (ticker code: TER).

TerniEnergia Progetti operates in the renewable energy sector, with a particular focus on utility-scale photovoltaic projects. The Company provides turnkey Engineering, Procurement and Construction (EPC) services and Balance of Plant (BoP) activities, supporting investors and industry operators in the development of medium- and large-scale solar plants. With an industrial track record of approximately 600 MWp installed in Italy and abroad, TerniEnergia Progetti covers the entire project lifecycle, from technical and permitting assessments through design, construction, commissioning and operational management. Through its Operation & Maintenance (O&M) division, the Company also provides maintenance, revamping and repowering services for existing plants, complemented by digital solutions for performance monitoring.

TerniEnergia Progetti represents the 80th listing on Euronext in 2026.

The admission and offering price of TerniEnergia Progetti shares was set at €1.54 per share. The company raised €1.9 million during the placement phase.

Laura Neri, CEO of TerniEnergia Progetti, said: *"The listing marks a strategic milestone for TerniEnergia Progetti, enabling us to accelerate our growth trajectory and seize the opportunities arising from the energy transition. Our goal is to become a leading consolidation platform in the plant engineering sector, leveraging expertise and technologies that remain highly fragmented today. The proceeds raised will support both organic growth, through the expansion of our client base, and external growth opportunities through acquisitions. We are entering this new phase with solid industrial foundations and a long-term development vision."*
