CC&G: EMIR Reporting

To the attention of: *GCMs and ICMs on Derivatives Markets*

Priority: *Medium*

Topic: *EMIR Reporting – Validation Rule*

Dear Clients,

On September 10th, 2020 [ESMA published](#) an updated set of Rules, originally to enter into effect on February 1st, 2021. Due to Brexit and to some technical issues surfaced, the go-live date of the updated EMIR Validation Rules has been postponed by five weeks to March 8th, 2021. CC&G confirms that we will deploy the updated EMIR validation rules on the new go-live date of March 8th, 2021.

CC&G encourages reporting counterparties to comply with the new validation rules applied by the Trade Repositories, to ensure that reporting is carried out in compliance with technical standards specifications under the EMIR regime.
