CC&G: Outcome Business Continuity Default Test

To the attention of: *Clearing Members*

Priority: *Medium*

Topic: *Default Test*

Dear Client,

with reference to the previous Operational Notice as of 11th June 2020, we inform you that from Monday 15th June 2020 to Wednesday 17th June 2020, CC&G executed the default test under business continuity arrangements, simulating the default of one Direct Member to the CCP System.

We inform you that during the simulation process, CC&G required the involvement of five Direct Member in specific test phases.

Finally, we inform you that all the components affected by the test have operated correctly under a business continuity regime and the test result has been positive.
