Topic:	CC&G's Response to the FSB Questionnaire on Continuity of access to FMI's for firms in resolution

Dear Client,

CC&G has responded to the Financial Stability Board (FSB) questionnaire to support Members in their resolution planning.

On 14 August 2020 the Financial Stability Board published a questionnaire in order to collect information about continuity of access to financial market infrastructures (FMIs) for firms in resolution. Continued access to FMIs during and post-resolution is a key objective for an effective resolution mechanism. CC&G has responded the FSB questionnaire to inform Clearing members and their resolution authorities how CC&G can support continued access to during resolution.

CC&G's Response to the Questionnaire is available on our Member Portal (<https://memberportal.ccg.it>) at the following section: home>Membership Management>CC&G-FSB Questionnaire
