CC&G: BCS Client 5.8.3 and manuals update

To the attention of: *All Members*
Priority: *Medium*
Topic: *BCS Client 5.8.3 and manuals update*

Dear Client,

Please be advised that the updated versions of BCS manuals **API Data Layout (CDS only)** and **GUI User Manual (CDS only)** are now available online at the following link:

<https://www.borsaitaliana.it/borsaitaliana/gestione-mercati/bcs-bitclearingstation/bcs.htm>.

The changes relate, as regards the API Data Layout manual, to some additional information in paragraphs 13.5 Subscribe Contracts and 22.0 Email Notifications, and as regards the GUI User Manual, to the insertion of a description on the use of the new Email Notifications function.

On the same web page, you will also find the new test release of BCS Client 5.8.3 (CDS), with Email Notifications tool available by default for all BCS versions (Standard, Plus and Premium).

We also inform you that the **BCS Client 5.8.3** will be released in production on September 14, 2020, subject to successful completion of the tests.
