Update of tax guide for the French market

To the attention of: **Intermediaries**

Topic: **Changes to Standard Refund process**

Dear Client,

Please we inform you that the new tax guide for the French market, which will be introduced as of 1 January 2022, has been published on our website.

The main changes concern the Standard Refund process for this particular market:

- timescales for submitting documentation to Monte Titoli
- changes in the way of filling the 5000 and 5001 forms.

The documentation is available at the following path on the Monte Titoli website:
Intermediaries>T2S Gateway>France>Tax Services

For further information, please contact:

Fiscal Services
