Evolution of the FIS Service and release of new functionalities

To the attention of:	Intermediaries and Account Operators
Priority:	low
Topic:	Evolution of the FIS Service and release of new functionalities

Dear Client,

We are pleased to announce the release of improved FIS services on 6 February. The new release provides enhanced usability for intermediaries and their service agents.

The key interventions are as follows:

For FIS CPA/DIV/TOS/SHI flows:

- improved availability of information in reports with more precise search criteria,
- the addition of export function to export pending agenda data.

For the FIS DIV:

- the 'record' has been enhanced with a breakdown of the quantities of reported actions by type.
