As announced in ON No. 62 of 16 December 2022, we inform you that the final documentation “Binding XSD”, received from the European Central Bank on 21 February 2023, has been published. Note that messages in SWIFT MyStandards are considered as “work in progress” until they are released into the production environment with RJUN.2023. This has been agreed with the T2S community as client tests are ongoing until that date and the messages may still undergo changes.
