
Service Announcement

16th January 2015

Go live updates on the link with National Bank of Belgium (NBB)

Dear Client,

Following the Service Announcement published on the 21st November and the “go” decision for deployment of the RAMSES platform taken by NBB on the 14th January, Monte Titoli is pleased to announce the go-live date for the technical adaptations in the link with NBB, foreseen for the **2nd February 2015**.

The new implementations are entailed in the new version of the Instruction Formats, available at this [link](#).

Please consider that the main new implementations are:

- different instruction formats compatible with Ramses platform;
- extended cut-off times.

The adaptation requirements are collected in the correspondent Tablemat (Quick Market guide), that is available [here](#).
