New release Settlement dashboard

To the attention of:	Intermediaries
Priority:	low
Topic:	settlement dashboard 2.0

Dear Customer,

We are pleased to inform you that as part of our ongoing efforts to improve and develop our data analysis service, Euronext Securities Milan has enhanced and enriched the informative content and offering of the Settlement Dashboard.

With the release of the new **Settlement Fail Prediction Dashboard**, you can now monitor your Settlement Efficiency on a daily basis, comparing it with the Matching Rate and the market benchmark. Additionally, you can analyse in detail the unsettled instructions that impact your performance and determine the elements driving the algorithm's predictions.

We have also improved the MIS Dashboard, by introducing a distinction Corporate Action Issuer and Investor, along with new ranking options and filters.

This upgraded functionality ensure that you have a complete and thorough understanding of your activities.

The Settlement Dashboard is a powerful tool that empowers our customers to monitor the service and minimise any potential risks.

We are available to provide further information or assistance at the following address:
