Dear clients,

As part of our ongoing commitment to supporting your transition to our new platform, we are pleased to share the following updates:

We are announcing new demo sessions open to all potential users of MyEuronext — not just administrators. These sessions will provide a comprehensive overview of the platform's features and functionalities, followed by a live Q&A where participants can ask questions and receive realtime answers.

No registration is required to attend the demo sessions - invitations will be sent directly to you. If you would like to add other participants, please let us know at test-ca4u-mil@euronext.com.

The upcoming demo sessions are scheduled as follows:

- Tuesday, 4 November from 10:00 to 11:30 CET – Italian demo
- Wednesday, 5 November from 10:00 to 11:30 CET – English demo

To support your use of the platform, we have made a series of brief video tutorials available for your reference on the MyEuronext Knowledge Base. At the end of each section dedicated to specific user roles, you'll find videos that demonstrate the available features and provide step-by-step guidance. You can access them directly by visiting the [Corporate actions list - MyEuronext CSD Knowledge Base](#) page and scrolling to the end of the relevant section.

.You can also find the recordings of the User Administration Setup demos - the English session held on October 15th and the Italian session held on October 20th - by visiting the [Corporate Events Service | Euronext Securities](#) page and scrolling down to the 'Webinar Playbacks and Reply' section.
