Topic:	Issuance Enhancements for Govies: postponement of the production release date

Dear Client,

following the Operational Notice ON_08/2024 dated February 9, 2024, and the ES-MIL initiative supporting Bank of Italy for the launch of the new electronic platform for the auction of Government Bonds on the primary market, we inform you that the go-live date, originally scheduled for April 7, 2025, has been postponed to a later date yet to be determined. This is due to a conflict with a disaster recovery test by the ECB. In alignment with Bank of Italy, we are assessing an alternative production release date, which will be communicated as soon as it becomes available.
