Update Standard for XTRM Users for Vorvel, Certificates TLX and IPO markets

To the attention of:	All Participants
Priority:	Low
Topic:	Update Standard for XTRM Users for Vorvel, Certificates TLX and IPO markets

Dear Client,

to ensure continued support for trading activities, starting from 30 November 2026, subject to successful testing, new sources and market identifiers will be released.

The updates are shown in track changes in the document "Standard for Users X-TRM A2A and RNI mode".

The relevant technical documentation, both in Italian and English is available on MT-X Platform in the folder: "Documentation – Live Services – Technical Documentation – Under review – Market Request".

For any clarification requests, please refer to the following address:
