May 1st as a business day: impact on ES-MIL systems

To the attention of:	All Clients and Account Operators
Topic:	May 1st 2025 treated as a business day: impact on ES-MIL systems

Dear Client,

Please take note that May 1st, 2025 will be treated as a business day and will have the following specific characteristics:

- T2S: open for FOP, but not for DVP and PFOD operations in EURO
- T2: closed
- All CSD participants in T2S (including ES-MIL): open

In particular, for Custody activities:

- no payments in EURO may be made on May 1st; payments will be postponed and made on the first subsequent working day
- securities disposal or Pool Factor adjustment for REDM, PCAL and MCAL will be performed at SOD in the scheduled NTS cycle following May 1st.

For Settlement activities:

- the X-TRM service will be operational with some limitations due to the impossibility of settling the cash part.
- Reports concerning penalties will be sent
