

EXPERTLINE

“ExpertLine: not just services, but solutions!”

- Personalized advice
- A higher profile and added value for your listing
- And much more...

When you are listed on Euronext, you not only access a secure market with state-of-the-art technology and a vast pool of liquidity, but you also benefit at all times from the assistance of expert advisers. As part of an ongoing effort to develop tools and services for issuers, Euronext offers ExpertLine, an information and communication platform run by experts in market techniques and finance, speaking French, English, Dutch and Portuguese.

Attentive service from a team of specialists

ExpertLine is an interactive communication platform run by market professionals. The ExpertLine team:

- Provides you with a single source of information
- Creates a permanent link with our trading community via the market surveillance room
- Establishes and maintains excellent relations underpinned by ExpertLine’s proactive and responsive support
- Is attuned to your needs in order to improve the existing services on **connect.euronext.com**
- Identifies and offers new opportunities (workshops, conferences, services, etc)
- Provides you with value-added market data (all issuers receive a daily end-of-day Market Summary file)
- Guides and assists you with all your operations (listing and trading requirements).

ExpertLine is available for all market segments: European regulated markets of Euronext as well as Alternext and is accessible daily before, during and after the trading session between 08:45 and 18:00 CET.

A hub for information and financial news

A multidisciplinary team of specialists with complementary skills is based in the centralised European market surveillance room, amid breaking financial news, with its finger on the pulse of trading. In addition to supplying real-time information on events that may affect your share price, the team answers your queries, provides trading guidance and presents the services available on connect.euronext.com, the dedicated website for listed companies.

Our expertise at your service

The ExpertLine team of financial market specialists works closely with 30 stock market experts based in Paris and our other locations. ExpertLine advises you on your operations, comments on market news and provides continuous assistance throughout the trading session, with information about:

- Movements and activity of your share price
- Broker Market shares and the MTF market quality analysis
- Movements in domestic market indices
- Market regulations
- Corporate actions
- Euronext's fees and charges
- Reporting obligations
- Technological progress in listing and trading.

Extend your outreach

Euronext raises your company's profile in the financial community. The events, ceremonies and conferences we organise, allow you to extend your outreach, a vital aspect of life as a listed company. They offer the opportunity for companies to meet and interact with one another as members of a top-flight business network. Euronext also provides you with a range of communication services and tools:

- Theme-based conferences and road shows
- Organised events (Small & Midcap Events, sector days, Pan European Days in New York)
- The Bell room, the ideal venue for your corporate events
- Listed emblems to identify your company as being listed on one of our markets.
