Euronext reminds customers that **the Optiq Phase 3 Derivatives consultation is available until 7 September 2018.**

OPTIQ PHASE 3 DERIVATIVES – MEMBER CONSULTATION

Following the [Info Flash](#) released on 1 August 2018, Euronext reminds customers that the Optiq Phase 3 Derivatives consultation is available until **7 September 2018**.

The objective of the consultation is to share information and collect customer feedback on changes that Euronext is proposing to implement on the Derivatives Market through Optiq. All customers are invited to provide their feedback in order for Euronext teams to adapt the programme to their needs.

Please find all the necessary details and information on the consultation [here](#).

Any customer who would like to talk about the consultation with our teams in person or over the phone are welcome to contact:
