NYSE Euronext Lisbon and Commerzbank launch ETFs on Portuguese index PSI 20 and PSI 20 Leverage

*New financial products available to domestic
and foreign investors*

Amsterdam, Brussels, Lisbon, London, Paris, 6 September 2010 – NYSE Euronext and German bank Commerzbank announced today the launch of two Exchange-Traded Fund (ETF) on the Portuguese PSI 20 and PSI 20 Leverage indexes. The ETFs start trading today on the Lisbon stock exchange.

These new financial instruments, combining the simplicity of trading shares with the diversification of investment funds, are another investment option available on NYSE Euronext Lisbon. ETFs, tradable on real time during the entire trading session of the Portuguese Stock Exchange, are available through financial intermediaries and have no subscription or redemption fees.

Commerzbank, through its subsidiary Comstage, will distribute the ETFs on PSI 20 and PSI 20 Leverage indexes among Portuguese and foreign investors.

Luis Laginha de Sousa, Chairman and CEO of NYSE Euronext Lisbon, said: "The launch of these new products is of great importance for the Portuguese market. ETFs on the PSI 20 are an innovative product that allows simplified and efficient access to the largest Portuguese listed companies".

"Launching this ETF on the PSI 20 means the Portuguese market now owns a new class of products, allowing domestic and international investors to set themselves more effectively in long positions and with leverage. The creation of this new product will boost the liquidity of the equities' market in the PSI 20 Index", added Miguel Gerales, Head of Cash Market & Listing, of NYSE Euronext Lisbon.

Hélio Cláudio, Director Public Distribution International of Commerzbank, said: "We have the pleasure of launching the first ComStage ETF in Portugal, a product that will be of great importance to investors seeking exposure to the domestic equity market".

"The ComStage ETF PSI 20 Leverage has been launched for investors who want to take the best return of daily variation of the PSI 20 index, while the objective of ComStage ETF PSI 20 is simply to replicate the evolution of PSI 20 index. Following the great success of our ETFs on the European market, where supply of ComStage has already reached in the 100 ETFs, we consider it also as a priority to develop the ETF market in Portugal", he added.

About ETFs

ETFs segment have experienced phenomenal growth over the past few years. 487 ETFs are currently traded on NYSE Euronext's regulated European markets, with over 300 underlying indexes including an extended range of assets and strategies, offering investors a variety of investment choices. Since 2004 the number of ETFs listed on NYSE Euronext has more than quadrupled, illustrating the continuous innovation engineered by 17 issuers on this segment.

About Portuguese index PSI 20

The PSI 20 is the Portuguese benchmark index, reflecting the evolution of the prices of the 20 largest and most liquid share issues selected from the universe of companies listed on NYSE Euronext Lisbon. The index was established with a base value of 3000.00 on December 31, 1992. The PSI 20 constituent weights are adjusted for free float and are limited to 15% of the index capitalization on the periodic review date.

About Commerzbank

Commerzbank is the second largest credit institution in Germany, and one of Europe's major banks. Commerzbank is now one of the leading banks for private and corporate customers in Germany. Commerzbank has a total of around 14,5 million private and corporate customers worldwide. Commerzbank sees its role as being that of an expert provider of services to private and business customers and to SMEs. Commerzbank will have around 1,200 branches, giving us the densest branch network of any German bank. Customers will benefit from an even more extensive and attractive range of products and advisory services.

About Commerzbank's ComStage ETFs

Commerzbank's subsidiary Commerz Derivatives Funds Solutions SA is the management company of ComStage ETF with its headquarters in Luxembourg. ComStage ETF is an open investment company registered in the form of a SICAV and acts as an umbrella fund for ComStage ETFs. ComStage ETFs are issued as a sub-fund under Luxembourg law and subject to the European fund regulations relating to UCITS III.

About NYSE Euronext

NYSE Euronext (NYX) is a leading global operator of financial markets and provider of innovative trading technologies. The company's exchanges in Europe and the United States trade equities, futures, options, fixed-income and exchange-traded products. With approximately 8,000 listed issues (excluding European Structured Products), NYSE Euronext's equities markets – the New York Stock Exchange, NYSE Euronext, NYSE Amex, NYSE Alternext and NYSE Arca – represent one-third of the world's equities trading, the most liquidity of any global exchange group. NYSE Euronext also operates NYSE Liffe, one of the leading European derivatives businesses and the world's second-largest derivatives business by value of trading. The company offers comprehensive commercial technology, connectivity and market data products and services through NYSE Technologies. NYSE Euronext is in the S&P 500 index, and is the only exchange operator in the S&P 100 index and Fortune 500. For more information, please visit: www.nyx.com
