

SOLUTIONS 30 lists on NYSE Alternext

Paris, 10 June 2010 -- NYSE Euronext today announced the listing on NYSE Alternext in Paris of SOLUTIONS 30, a European leader for proximity technology services.

Founded in 2003, the SOLUTIONS 30 group offers services relating to the installation of IT equipment together with technical assistance and training backup for individuals, SMEs and independent professionals. Present in France, Italy, Belgium, the Netherlands and Germany, its offering covers installation, technical support, training and assistance for consumers dealing with a constantly changing technological environment.

SOLUTIONS 30 (mnemo: ALS30) was admitted by transfer of the 2,391,640 shares making up its share capital from the Marché Libre to NYSE Alternext.

The company's capitalization on the day of admission amounted to €55.5 million.

"We are delighted to welcome SOLUTIONS 30 to NYSE Alternext and be able to provide continuing support throughout the main stages in its business development and market presence," comments Ronald Kent, Group Executive Vice President and Head of International Listings at NYSE Euronext. *"Through its listing on NYSE Alternext, SOLUTIONS 30 has access to the full range of services available from NYSE Euronext, ensuring a higher profile with investors and greater liquidity for its shares."*

Gianbeppi Fortis, Chairman of the SOLUTIONS 30 Management Board, adds: *"Our transfer to NYSE Alternext is a milestone in the development of SOLUTIONS 30. We are delighted with its success, which improves our access to capital markets and our visibility for the financial community."*

NYSE Alternext, which has just celebrated its fifth year in operation, today counts 138 listed companies from countries including Belgium, Canada, China, France, Italy, Luxembourg, the Netherlands, Spain, the UK and the US. They have raised over €2.3 billion altogether, half of this through secondary issues, and their market capitalization totals €4.4 billion.

About SOLUTIONS 30

SOLUTIONS 30 is a European leader for proximity technological services in the fields of information technology, telecoms, energy and home media.

Its mission is to help individuals and businesses benefit from the technological progress changing our lives, as illustrated by computers, the Internet and more recent digital technologies. This process is set to continue as technology creates a new world that is increasingly interconnected in real time.

Building on the experience acquired with over two million assignments conducted since its launch and an organization based on a network of technicians with a local presence, SOLUTIONS 30 today covers the whole of France, Italy, the Netherlands and Belgium. It recently opened a subsidiary in Germany and in time aims to extend its services to the whole of Europe.

SOLUTIONS 30 is listed on NYSE Alternext in Paris (ALS30 – ISIN FR0010263335).
