THE 2016 ETF AWARDS

i-invest is Proud to Recognise Euronext in the 2016 ETF Awards

United Kingdom, April 2016 – i-invest Magazine have awarded Euronext 'Best European ETF Exchange' in the 2016 ETF Awards.

The prestigious ETF Awards were first established to highlight and celebrate the outstanding performance and results achieved by the leading lights across the corporate world, despite working within increasingly competitive markets.

Whilst we understand that there are many aspects to a business' success, corporate leaders are at the forefront of all industry development and bear a vast responsibility, utilising their ingenuity, creativity and industry experience to steer their firm through trying economic times. Overcoming adversity is key to good business leadership, and these awards reward those who have worked tirelessly to help both their business and the wider industry to survive despite operating in an increasingly tough corporate climate.

Euronext is a pioneering financial exchange platform which is the first to operate across Europe, spanning Belgium, France, the Netherlands, Portugal and the UK. ETP Providers can cross-list all their products on the firm's different venues, providing them with unique exposure.

Laura Hunter, Awards Coordinator commented on how proud she to reward Euronext for their hard work and dedication: "This awards program showcases the talent, dedication and sheer drive of business leaders from across both the globe and the corporate landscape. I am proud to turn the spotlight on Euronext and would like to wish them the best of fortunes going forward."

i-invest prides itself on the validity of its awards and winners. The awards are given solely on merit and are awarded to commend those most deserving for their ingenuity and hard work, distinguishing them from their competitors and proving them worthy of recognition.
