### **Article 3 – Preamble**

- 3.1 Euronext operates regulated cash markets (the “**Platform**”) and runs a Liquidity Provider Programme (the “**Liquidity Provider Programme**”) for Members that agree to provide liquidity on the Platform according to certain criteria, detailed in section 4 of this Registration Form and Article 1.2 of Euronext Instruction n° 4-01 Universal Trading Platform Manual.
- 3.2 The Member has been selected by Euronext as an eligible Liquidity Provider.
- 3.3 The Liquidity Provider agrees that it will support the Platform by providing liquidity in a selection of Financial Instruments traded on the Platform in compliance with the Registration Form and all related contractual documents (in particular the Terms and Conditions and the Update Form). The Financial Instruments for which the Liquidity Provider wishes to start its liquidity provision activity are to be identified in Appendix I. As per article 7.1 of the Terms and Conditions, the list in Appendix I may at any time be amended by submitting an Update Form.
- 3.4 The benefits granted to the Liquidity Provider consist essentially in the application of a specific fee policy in accordance with the Liquidity Provider Cash Market Trading Fee Structure.

### **Article 4 – Liquidity Provider’s commitments & obligations**

- 4.1 For a **continuously traded Financial Instrument**, the Permanent Liquidity Provider commits to maintaining a spread of firm bid and offer prices from and including the market opening, i.e. the opening auction, throughout the Trading Day, i.e. the continuous trading session, until and including the market close, i.e. the closing auction (including order-accumulation periods preceding pre-scheduled or other auctions during a Trading Day).
- 4.2 For a **Financial Instrument traded by auction**, the Auction Liquidity Provider commits to maintain a spread of firm bid and offer prices during the 15 minutes preceding each auction.
- 4.3 The Liquidity Provider’s obligations shall be governed by the commitments as described in the Liquidity Provider Programme published and as the case may be amended from time to time by Euronext.
- 4.4 As the case may be, **Maximum Position** (hereinafter “MP”), expressed in monetary terms or in a number of Financial Instruments, may be specified in Appendix II of this Registration Form. If the aggregated long or short position of the Liquidity Provider becomes in excess of the MP, then the rights and obligations under the Agreement may be suspended under the terms set out in article 5 of the Terms and Conditions, and article 5 of this Registration Form. In case the Liquidity Provider exceeds the MP, the Liquidity Provider shall inform the Euronext contact person(s) specified in article 7 in writing. The contact person(s) for the Liquidity Provider mentioned in article 7 of this Registration Form shall sign this letter.
- 4.5 If the Liquidity Provider carries out a similar activity to that performed under the Agreement and quotes prices for an identical Financial Instrument on an electronic trading system which is not operated by Euronext or one of its subsidiaries, then the Liquidity Provider agrees that the price spreads entered on the Euronext Trading Platform will be equal to or narrower than the spreads quoted on any other electronic trading system.

### **Article 5 – Suspension upon request of the Liquidity Provider**

- 5.1 The rights and obligations of the Liquidity Provider will be suspended at its request on a written basis:

- If the underlying asset of the Financial Instrument is not tradable or the underlying index is not available for a prolonged period of time due to exceptional circumstances.

The rights and obligations of the Liquidity Provider shall be suspended as long as the underlying asset is not tradable or the underlying index is not available.

- If the cumulative long or short position of the Liquidity Provider becomes in excess of the MP defined in article 4.3.

Without prejudice to article 6.1, the rights and obligations of the Liquidity Provider shall not be suspended for more than one month as of the reception of the written request.

**Article 6 – Termination**

- 6.1 The Agreement will be terminated ipso jure if the aggregated long or short position of the Liquidity Provider is for more than one month in excess of the MP. The one-month period will start counting from the moment the Euronext contact person(s) specified in article 7 receives the letter referred to in article 4.3.
