

## OPTIQ PHASE 3 – DERIVATIVES DRESS REHEARSAL ON 27 APRIL FOR THE MARKET DATA SEGMENTATION CHANGE

### Summary

Euronext confirms that the Dress Rehearsal for the Derivatives Market Data segmentation change will take place in Production on **Saturday 27 April 2019**. The guidelines for this Dress Rehearsal are now available. The Go-Live of this change in Production is scheduled on **Monday 29 April 2019**, subject to final approval.

### Dress Rehearsal Guidelines

Further to the Info-Flash of [21 January 2019](#), Euronext confirms that the Dress Rehearsal for the Derivatives Market Data segmentation change will take place in Production on Saturday 27 April 2019. Customer participation in this Dress Rehearsal is highly recommended. The Go-Live of this change in Production is scheduled on Monday 29 April 2019, subject to final approval.

On **Saturday 27 April 2019**, clients are welcome to:

- Test their new channel configuration,
- Verify they can integrate new SBE template version 7, and
- Confirm they have access to the new folders and file names on EFS.

Detailed information on the scope, schedule and principles of the Dress Rehearsal can be found in the [Guidelines document](#) that is now available on the Euronext website.

At the end of the test, and before **Monday 29 April 2019**, clients must:

- Restore the data in their systems to the status of Friday 26 April 2019 evening after the end of the trading session,
- Purge all market data received during the Saturday test,
- Use MDG SBE template V7 in Production.

**Euronext reminds clients that MDG SBE template V7 is not backward compatible with previous versions of the template.** Customers who have not upgraded their systems will not be able to integrate the MDG messages on Derivatives markets on Monday 29 April 2019.
